3.5" x 2" Business Card Template

Delete This Layer!

PressGeek cannot print if this layer is not deleted.

To ensure color to the edge of your product (bleed), you must extend the color (design not text) past the **RED** border. Where the **RED** border meets the **BLUE** border, is where the product will be cut.

**Make sure text or anything that should not trim,
is away from **BLUE** border.**

Everything before **BLUE border is considered safe area.**
